

Group Amenity Points Program

2025 - 2026 Group Blitz

Groups Get Options

That's right! With our Group Amenities Points program, the groups you book can earn points to use on benefits onboard and discounts.

Those points are like credit that your group can use for all kinds of extra indulgences. Think premium drinks packages, a fruit basket delivered to their room, credit to spend onboard or discounts on their rate. Because we think there should be a reward for getting more people onboard with us!

Getting those upgrades takes just three steps...

1

Book your group onto a sailing

It starts with matching a group to a sailing. You'll see that each sailing has its own number of points for groups.

2

Earn credit for that booking

We'll automatically apply the points for the group booking. These are points you can use to select added extras they'll love.

3

Enjoy your incredible voyage with extra benefits!

You'll need to book their upgrade when they purchase their cruise. Each added extra has a points value, so use this to guide the extras you recommend.

We've designed our Amenity Points program to be super customizable. That way, you can create the experience that will suit each group best.

Group Amenity Points Program

Treat your groups to some valuable extras before or during their cruise. Celestyal's Group Amenities Points Program enables you to customize your group by offering a variety of amenities most valued by you and your group.

It's easy and flexible. Simply choose the amenity according to the terms offered by referring to the ship and sailing date you wish to book. Each amenity listed below has a point value. Match these points to those offered on the departure date you choose to create your valued customized amenity program. A minimum of 8 staterooms is required for a group booking. Points will be locked in at time of blocking group space and choice of amenities must be determined at time of group set up.
