## FIJI AIRWAYS OFFERS FREE FULL FLIGHT MESSAGING WI-FI FOR ECONOMY CLASS PASSENGERS

Fiji Airways, the national carrier of Fiji, has introduced an exciting upgrade to its onboard connectivity services, enhancing the in-flight experience for Economy Class guests with complimentary full flight messaging Wi-Fi. This offering is an upgrade from the previous 15-minute limit and is available on the airline's state-of-the-art Airbus A350 and Boeing 737MAX aircraft.

In an era where staying connected is paramount, whether you're on the ground or in the air, this new service allows travelers to effortlessly communicate with friends and family using their favorite messaging apps, at no additional cost.

In addition to this complimentary service, our Business Class guests already enjoy full-flight browsing Wi-Fi. To further enhance connectivity for all travelers, Fiji Airways has revised its onboard Wi-Fi plans to offer more value-oriented options. Starting at just USD \$7.95, these plans provide affordable upgrades for browsing or streaming access.

## THE SOUTH PACIFIC HIGHLIGHT: CAIRNS & GREAT BARRIER REEF

Cairns is a city in tropical Far North Queensland, Australia, and is renowned as the gateway to the Great Barrier Reef. Surrounded by rainforests, mountains, and the iconic reef, it serves as a popular base for travelers exploring the region's natural wonders.

The Great Barrier Reef is one of the most famous natural wonders in the world. It is the largest coral reef system on Earth, stretching over 2,300 kilometers (approximately 1,430 miles) along the coast of Queensland. The reef consists of more than 2,900 individual reefs and 900 islands, showcasing a diversified marine life.
