

A Celestyal Pair

Both of our ships will be sailing the
Mediterranean and Arabian Gulf from 2025

When you travel with **Celestyal**, you're stepping onboard more than just beautiful ships. You're entering a modern, thoughtfully-designed cruising experience, curated with deep **regional expertise**, famously warm and **welcoming service**, and a relaxed, friendly mix of fellow travelers.

With a boutique fleet of just **two proudly mid-sized ships**, **Celestyal Journey and Celestyal Discovery**, we can take you closer to the destinations on your bucket list.

We always adapt our schedule to beat the crowds, making sure you get priority access to the highlights across the **Mediterranean and the Arabian Gulf**.

Our crew are as diverse as our guests, hailing from across **32 nationalities**, with **40% speaking more than two languages**.

We also offer award-winning shore excursions in a number of languages, which is why pre-booking is a great idea.

Onboard our ships, you'll find **a range of beautifully refreshed rooms**, from interior Cosmos cabins all the way to Stargazer Penthouse suites.

Whatever kind of trip you're looking for, you can rest assured you'll be sailing the seas of the **Mediterranean and Arabian Gulf** in an impeccable level of comfort.

Celestyal Discovery

If you prefer **action-packed 3-night weekend sojourns** or **4-night midweek getaways**, the **Iconic itineraries of Celestyal Discovery** boast dual port visits in the **Mediterranean** and unmissable hidden gem **Desert Days** magic in the **Arabian Gulf**.

Featuring **Celestyal's** first dedicated coffee bar with **Café Nation**, guest dining favorites, **Taverna and Thalassa**, and poolside Mediterranean flair with the **Greek Deli**, there's so much to tickle your tastebuds and fuel up for the exploration (as well as relaxation) that lies ahead.

Fans of culture will find joy in dual port visits in the **Mediterranean**, waking up in **Kusadasi in Turkey**, exploring **Ephesus** and then watching the sunset in **Patmos**, with a delightful lunchtime **Grill Seekers** indulgence at sea in between.

In the **Arabian Gulf**, you can unlock new ports of call in **Khassab** and **Sultan Qaboos in Oman**. As the ship sets sail each day, you can relax in the **Ocean Bar**, taking in the wake of the ship, whilst enjoying a tippie.

The socialites among you will thrive in the melting pot of coffee culture at **Café Nation**.
